

Creative people solutions
Measurable business results

Your challenge?

Communication skills development

Individuals who tend to be overly aggressive or too passive in their approach

Presentation skills

Lack of awareness of impact of communication on others

Solutions

Coaching - Confidential 1 to 1 sessions to develop self-awareness and communication skills

Psychometric assessment – Using appropriate Psychometric tools (eg 16PF5, MBTI, DiSC, OPQ32 or Belbin Team Roles) to understand and explain communication style differences and to improve the success communication

Facilitated team workshops - to understand team communication strengths and weaknesses and to improve communication and working relationships.

Training – in communication skills, assertiveness, impact and influence, presentation skills

“Everybody's **talking** at me
I don't hear a word they're saying”

Harry Nilsson
