

Creative people solutions.  
Measurable business results.

## Management and Leadership Development

White Cube Consulting deliver Management and Leadership development initiatives. From individual coaching sessions to structured Development programmes, our experience has been developed over 25 years.

### Solutions

Executive coaching sessions, to harness behavioural strengths and deal with weaknesses

Psychometric assessment to allow exploration of style strengths, over-used strengths and weaknesses

Design and delivery of Management and Leadership training workshops and programmes

Design and facilitation of Development Centres to assess talent and potential and enable management/leadership development planning

Facilitation and management of Mentoring programmes

Secondments to external organisations to embed learning

### Results

Skills and knowledge transfer to the workplace

Improved performance

Productive managers and leaders

Increased profitability

**"Leadership and learning  
are indispensable to each other"  
John F. Kennedy**
