

Creative people solutions.
Measurable business results.

Assessment centres

White Cube Consulting has 20 years expertise of designing and delivering assessment centres for many industry sectors, both in the UK and overseas. We have assessed candidates for Graduate, Management, Technical and Leadership roles.

Solutions

We build strong partnerships with clients to ensure the selection process is customised and aligned to organisational needs.

We provide support throughout the selection process as required, from interviewing potential candidates to managing and facilitating the assessment centre.

Design of competency indicators, measures and assessment centre structure.

Design of bespoke assessment exercises.

Sale or hire of assessment centre exercises.

Design and delivery of assessment centres ranging from two hours to two days.

Assessor briefing training.

Facilitation of consensus meetings.

Results

Robust, objective selection process
Eliminate poor selection decisions
Measurable improvement in selection outcomes

**“The difference between ordinary
and **extraordinary** is that little extra”
Jimmy Johnston**
