Business Strategy / Planning

White Cube Consulting works with leadership teams to clarify/develop the organisation's vision / mission statements, to formulate and sense-check business strategy / plans and to set clear objectives. We work collaboratively with leadership teams to facilitate and objectively guide the business planning process.

Solutions

Workshops - strategic, facilitated business planning sessions that deliver more robust business plans

Communication Plans - to ensure the effective organisational roll out of vision / mission / strategy / objectives.

Coaching and Mentoring - to improve business planning skills, transfer knowledge and skills and enhance individual capability

Results

External perspective for a more objective approach.

Board level experience when you need it.

Clear, agreed and effectively communicated strategy and company objectives.
